THE TEAM

EDITORIAL DIRECTOR: AMY NORBURY

With more than 15 years spent working on the editorial side of regional magazines, Amy brings a wealth of experience and expertise to J'AIME, which she launched alongside advertising director Jan Ashley in 2017. Now in its fourth year, J'AIME has earned a reputation as the Midlands' premier luxury glossy lifestyle magazine, being nominated for an impressive three awards at the most recent Midlands Media Awards as one of the few independent publications represented alongside some of the biggest names in regional media.

As well as being an award-winning editor, Amy is an excellent features writer and prides herself on providing engaging content for the publication. She is always willing to go the extra mile for the story, and particularly memorable assignments have included tackling Europe's longest zipwire, getting transformed into Elphaba while interviewing the cast of Wicked backstage and learning to fly a helicopter. Amy has a particular passion for all things food and drink-related and is well known in the area for her restaurant reviews.
